## Client Piece Description Form

**The client will attach reference photos via email along with this form. Quality reference photos matter and make a huge difference in the end product of portraits. It also helps to have multiple reference photos for the best capture.**

**The client confirms that reference photos are of the best quality available, well lit and without significant obstruction such as graininess or blurred images. If the supplied photos do not meet these qualifications, then the client will be notified and understands that it may heavily impact the success of the artwork as far as being recognizable and realistic.**

**The client additionally confirms that the reference photos were taken by themselves or are owned by a non-copyrighted source such as family and friends. To avoid the possibility of legal action, the artist will not copy public images of celebrities/movie characters or images published on sites such as Instagram or Pinterest.**

**ANY alterations/changes requested from the reference photo(s)**

**By default, all canvas edges will be painted black or white according to the artist's judgment, unless otherwise requested.**

**Select one of the payment options:**

**Cash in-person, check in-person, check via mail, Venmo, or Zelle.**
